

Professional Development Model

**Understanding your
needs and planning for
change and impact**

**Working with consultants ,discovering new
approaches + modelling lessons. Planning to
adopt new ideas**

**Adapting modelled approaches
and lessons and trying out with
your own class**

**Consultants support you in
developing your practice and
applying it to curriculum
planning**

**Trying out ideas in school with increasing
confidence with encouragement, time and
support to develop and embed changes in
practice**

**Evaluating impact on
teachers and children**
