

**Example of Insight Arts Foundation Support Programme
Learning through Music**

Day 1

CPD day for all staff initial training session

- Where we are starting from - teacher confidence survey
- The basics of teaching music at primary and foundation stages
- Starting out in teaching music, composing, playing, evaluating
- Resources - basic requirements for each class
- Where music may be included in our term curriculum plans
- Exemplar lessons to get started

Day 2

Consultant conducting demonstration lessons with KS1 and KS2 classes and delivering twilight training session with staff

- 2 demonstration lessons , focusing on composing, playing and evaluating and extending repertoire
- Reviewing what has been achieved since first CPD event
- Identifying "needs to know" and next steps
- Feedback from observations re. children's skills , assessment and teacher expectations
- Support with further integration of music into term's planning focusing on new skills

Day 3

CPD day for all staff

- Starting out in teaching new skills
- Exemplar lessons to get started
- Firming up further integration of music into term's plans

Day 4

One day CPD for all staff and demonstration lessons

- Reviewing what has been achieved since last CPD event
- 2 demonstration lessons , focusing on different approaches
- Introducing new skills + extending repertoire
- Children's development in music, assessing and promoting progress.
- Conducting teacher survey

Following the delivery of the final element of training, teachers will be invited to complete a brief online Teacher Confidence Survey. Outcomes shared with school
